

End-suction centrifugal pumps — Baseplate and installation dimensions

ICS 23.080

National foreword

This British Standard is the UK implementation of EN ISO 3661:2010. It is identical to ISO 3661:1977. It supersedes BS EN 23661:1993, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/6, Pumps and pump testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Machinery and Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 September 1993
