

Standard representation of geographic point location by coordinates

ICS 35.040

National foreword

This British Standard is the UK implementation of EN ISO 6709:2009. It is identical with ISO 6709:2008, incorporating corrigendum January 2009. It supersedes BS ISO 6709:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/36, Geographic information.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2008
