

BSI Standards Publication

Welding and allied processes — Welding positions

National foreword

This British Standard is the UK implementation of EN ISO 6947:2019. It is identical to ISO 6947:2019. It supersedes BS EN ISO 6947:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/1, Definitions and symbols for welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
