Rubber and plastics hoses — Method of test for flammability

National foreword

This British Standard is the UK implementation of EN ISO 8030:2014. It supersedes BS EN ISO 8030:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/66, Rubber and plastics tubing, hoses and hose assemblies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
