Suction catheters for use in the respiratory tract (ISO 8836:2014)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 8836:2014. It supersedes BS EN ISO 8836:2009 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/121/5, Airways and related equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
