

Protective clothing — Assessment of resistance of materials to molten metal splash

The European Standard EN ISO 9185:2007 has the status of a
British Standard

ICS 13.340.10

National foreword

This British Standard is the UK implementation of EN ISO 9185:2007. It supersedes BS EN 373:1993 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee PH/3, Protective clothing, to Subcommittee PH/3/2, Clothing for protection against heat and flame.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 August 2007
