

BSI Standards Publication

Ophthalmic optics — Contact lenses and contact lens care products — Determination of biocompatibility by ocular study with rabbit eyes

National foreword

This British Standard is the UK implementation of EN ISO 9394:2012. It supersedes BS EN ISO 9394:1998, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/172/9, Contact lenses and contact lens care products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
