Assistive products for persons with disability — Classification and terminology (ISO 9999:2016)

National foreword

This British Standard is the UK implementation of EN ISO 9999:2016. It supersedes BS EN ISO 9999:2011 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/173/-/2, Classification and Terminology of Assistive Products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
