BSI Standards Publication

Electrical installations in ships

Part 501: Special features — Electric
propulsion plant

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of IEC 60092-501:2013. It supersedes BS IEC 60092-501:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee JPEL/18, Electrical installations of ships and of mobile and fixed offshore units.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
