BSI Standards Publication

Radiation protection instrumentation — Warning equipment for criticality accidents

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of IEC 60860:2014.

The UK participation in its preparation was entrusted to Technical Committee NCE/2, Radiation protection and measurement.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
