

BS IEC 61671-2:2016

BSI Standards Publication

Standard for automatic test markup language (ATML) instrument description

National foreword

This British Standard is the UK implementation of IEC 61671-2:2016.

The UK participation in its preparation was entrusted to Technical Committee EPL/501, Electronic Assembly Technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
