National foreword

This British Standard is the UK implementation of IEC 62396-4:2013. It supersedes DD IEC/TS 62396-4:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/107, Process management for avionics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
