

BS IEC 62860-1:2013

BSI Standards Publication

Test methods for the characterization of organic transistor-based ring oscillators

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of IEC 62860-1:2013.

The UK participation in its preparation was entrusted to Technical Committee NTI/1, Nanotechnologies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
