Quality management — Guidelines for configuration management

National foreword

This British Standard is the UK implementation of ISO 10007:2017. It supersedes BS ISO 10007:2003, which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee QS/1, Quality management and quality assurance procedures, to Subcommittee QS/1/2, Quality Management System Standards.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
