

Road vehicles — Road load —

Part 1: Determination under reference atmospheric conditions

ICS 43.020

National foreword

This British Standard was published by BSI. It is the UK implementation of ISO 10521-1:2006.

The UK participation in its preparation was entrusted to Technical Committee MCE/22, Engines for road vehicles.

A list of organizations represented on MCE/22 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2006
