Rough-terrain trucks — Safety requirements and verification

Part 5: Interface between rough-terrain truck and integrated personnel work platform

National foreword

This British Standard is the UK implementation of ISO 10896-5:2015.

The UK participation in its preparation was entrusted to Technical Committee MHE/7, Industrial trucks.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
