Sensory analysis — Guidelines for sensory assessment of the colour of products

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 11037:2011. It supersedes BS 5929-10:1999, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/12, Sensory analysis.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
