

BS ISO 1144:2016

BSI Standards Publication

Textiles — Universal system for designating linear density (Tex System)

National foreword

This British Standard is the UK implementation of ISO 1144:2016.

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Physical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
