

BSI Standards Publication

**Protective clothing for firefighter's who are engaged
in support activities associated with structural fire
fighting — Laboratory test methods and performance**

National foreword

This British Standard is the UK implementation of ISO 11613:2017.

The UK participation in its preparation was entrusted to Technical Committee PH/14, Firefighters' personal protective equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
