

BSI Standards Publication

Coal and coke — Calculation of analyses to different bases

National foreword

This British Standard is the UK implementation of ISO 1170:2020. It supersedes BS ISO 1170:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PTI/16, Solid mineral fuels.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
