Battery-electric mopeds and motorcycles — Performance

Part 1: Reference energy consumption and range

National foreword

This British Standard is the UK implementation of ISO 13064-1:2012.

The UK participation in its preparation was entrusted to Technical Committee AUE/14, Motor cycles and mopeds.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
