

BSI Standards Publication

Corrugated fibreboard — Determination of edgewise crush resistance — Waxed edge method

National foreword

This British Standard is the UK implementation of [ISO 13821:2020](#). It supersedes [BS ISO 13821:2001](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
