

BSI Standards Publication

Environmental management — Guidelines on the assurance of environmental reports

National foreword

This British Standard is the UK implementation of ISO 14016:2020.

The UK participation in its preparation was entrusted to Technical Committee SES/1/2, Environmental Management - Environmental performance evaluation, environmental auditing, reporting, environmental labelling and related environmental investigations.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
