Environmental management — Guidelines for establishing good practices for combatting land degradation and desertification

Part 1: Good practices framework

National foreword

This British Standard is the UK implementation of ISO 14055-1:2017.

The UK participation in its preparation was entrusted to Technical Committee SES/1, Environmental management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
