Optics and photonics — Specifications for telescopic sights

Part 1: General-purpose instruments

National foreword

This British Standard is the UK implementation of ISO 14135-1:2021. It supersedes BS ISO 14135-1:2017, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/172, Optics and Photonics.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
