

BSI Standards Publication

**Electronic document management —
Design and operation of an information
system for the preservation of electronic
documents — Specifications**

National foreword

This British Standard is the UK implementation of ISO 14641:2018. It supersedes BS ISO 14641-1:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IDT/1, Document Management Applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
