

Ships and marine technology — Identification colours for the content of piping systems

ICS 01.070; 47.020.30,

National foreword

This British Standard is the UK implementation of ISO 14726:2008. It supersedes BS EN ISO 14726-1:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32/-/3, Ships and marine technology - Piping and machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2009
