Series 1 freight containers — Specification and testing

Part 2: Thermal containers

National foreword

This British Standard is the UK implementation of ISO 1496-2:2018. It supersedes BS ISO 1496-2:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TW/1, Freight containers and swap bodies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
