

BS ISO 16334:2013

BSI Standards Publication

Monolithic refractory products — Determination of resistance to explosive spalling

National foreword

This British Standard is the UK implementation of ISO 16334:2013.

The UK participation in its preparation was entrusted to Technical Committee RPI/1, Refractory products and materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
