

BS ISO 16336:2014

BSI Standards Publication

Applications of statistical and related methods to new technology and product development process — Robust parameter design (RPD)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 16336:2014.

The UK participation in its preparation was entrusted to Technical Committee MS/6, Methodologies for business process improvement using statistical methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
