

BS ISO 16609:2012

BSI Standards Publication

Financial services — Requirements for message authentication using symmetric techniques

National foreword

This British Standard is the UK implementation of ISO 16609:2012. It supersedes BS ISO 16609:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/12, Financial services.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
