Plastics — Biobased content

Part 5: Declaration of biobased carbon content, biobased synthetic polymer content and biobased mass content

National foreword

This British Standard is the UK implementation of ISO 16620-5:2017.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
