Building environment design —Indoor environment — Design process for the visual environment

National foreword

This British Standard is the UK implementation of ISO 16817:2017. It supersedes BS ISO 16817:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/2, Ventilation for buildings, heating and hot water services.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
