

BSI Standards Publication

## Health informatics — Public key infrastructure

---

Part 5: Authentication using Healthcare PKI credentials

## National foreword

This British Standard is the UK implementation of ISO 17090-5:2017.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
