

BS ISO 17289:2014

BSI Standards Publication

Water quality — Determination of dissolved oxygen — Optical sensor method

National foreword

This British Standard is the UK implementation of ISO 17289:2014.

The UK participation in its preparation was entrusted to Technical Committee EH/3/2, Physical chemical and biochemical methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
