Freight containers — Electronic seals

Part 3: Environmental characteristics

National foreword

This British Standard is the UK implementation of ISO 18185-3:2015. It supersedes BS ISO 18185-3:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TW/1, Freight containers and swap bodies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
