

BS ISO 18645:2016

BSI Standards Publication

Fertilizers and soil conditioners — Water soluble fertilizer — General requirements

National foreword

This British Standard is the UK implementation of ISO 18645:2016.

The UK participation in its preparation was entrusted to Technical Committee CII/37, Fertilisers and related chemicals.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
