BSI Standards Publication

Performance and assessment requirements for design standards on structural concrete

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 19338:2014.

The UK participation in its preparation was entrusted to Technical Committee B/525/2, Structural use of concrete.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
