Pneumatic fluid power — Assessment of component reliability by testing

Part 1: General procedures

National foreword

This British Standard is the UK implementation of ISO 19973-1:2015. It supersedes BS ISO 19973-1:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/18, Fluid power systems and components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
