

BSI Standards Publication

Traditional Chinese medicine - Coding rules for Chinese medicines in supply chain management

National foreword

This British Standard is the UK implementation of ISO 20333:2017.

The UK participation in its preparation was entrusted to Technical Committee CH/100/1, Traditional Chinese Medicine.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
