Biotechnology — Cell counting

Part 2: Experimental design and statistical analysis to
quantify counting method performance

National foreword

This British Standard is the UK implementation of ISO 20391-2:2019.

The UK participation in its preparation was entrusted to Technical Committee BTI/1, Biotechnologies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
