Fine bubble technology — General principles for usage and measurement of fine bubbles

Part 4: Terminology related to microbubble beds

National foreword

This British Standard is the UK implementation of [ISO 20480-4:2021](#).

The UK participation in its preparation was entrusted to Technical Committee LBI/50, Fine Bubble Technology (FBT).

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
