

BSI Standards Publication

Graphic technology — Measurement and calculation of spot colour tone value

National foreword

This British Standard is the UK implementation of ISO 20654:2017.

The UK participation in its preparation was entrusted to Technical Committee PAI/43, Graphic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
