Optics and photonics — Environmental requirements — Test requirements for telescopic systems

National foreword

This British Standard is the UK implementation of ISO 20711:2017. It supersedes BS ISO 10109-4:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/172, Optics and Photonics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
