Water reuse in urban areas — Guidelines for centralized water reuse system

Part 1: Design principle of a centralized water reuse system

National foreword

This British Standard is the UK implementation of ISO 20760-1:2018.

The UK participation in its preparation was entrusted to Technical Committee B/505/50, Water reuse.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
