

BSI Standards Publication

**Thermal containers — Safety standard
for refrigerating systems using
flammable refrigerants — Requirements
for design and operation**

National foreword

This British Standard is the UK implementation of ISO 20854:2019.

The UK participation in its preparation was entrusted to Technical Committee TW/1, Freight containers and swap bodies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
