

Office furniture — Office work chairs — Test methods for the determination of stability, strength and durability

ICS 97.140

National foreword

This British Standard is the UK implementation of ISO 21015:2007.

The UK participation in its preparation was entrusted to Technical Committee FW/0, Furniture.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2007
