National foreword

This British Standard is the UK implementation of ISO 21100:2014. It supersedes DD ISO/PAS 21100:2011 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/57, Air cargo and ground support equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
