

BSI Standards Publication

Milk and milk products — Guidelines for the application of near infrared spectrometry

National foreword

This British Standard is the UK implementation of [ISO 21543:2020](#). It supersedes [BS ISO 21543:2006](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/5, Chemical analysis of milk and milk products.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
