

BS ISO 21748:2010

BSI Standards Publication

Guidance for the use of repeatability, reproducibility and trueness estimates in measurement uncertainty estimation

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 21748:2010. It supersedes DD ISO/TS 21748:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/6, Precision of test methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
